

## A Taste of D Edmond Hiebert

We will be posting some articles from D Edmond Hiebert. He was a mentor to many. He served at Tabor College and at the MB seminary in California. He was the primary author of the Fundamentals of Faith endorsed by the Southern District<sup>1</sup>. His NT commentaries are still available, his NT Survey was used widely and he was a well- respected NT scholar.

Two articles come from Bibliotheca Sacra on passages in Romans 8 and 12 and one from the Christian Leader on women in the church. They are posted with Permission.

Here are some links to more about Mr. Hiebert.

We hope you enjoy these three samplings of Hiebert.
